BAR & CAFÉ | Bistro | FUNCTIONS | Winestore  
Revised August 2020

## WELCOME TO STEVES

STEVES, a purpose-built fine wine & food venue in the heart of Nedlands, sits adjacent to the historic building, formerly Nedlands Park Hotel. The venue sits atop the original underground wine cellar containing W.A.'s most comprehensive collection of European wines. Boasting a stylish bar, a casual dining restaurant & the beautifully appointed, award winning Winestore Bistro, Steves has a selection of dining & function options to suit every occasion.

Built in 1908 as a residential hotel for farmers & country residents, the Nedlands' Park Hotel was once serviced by a tram from the city centre. Purchased in 1935 by Stephen McHenry, the hotel soon became fondly known as 'Steves' & has etched its colourful mark in the history of Perth's business establishment ever since.

The McHenry family then acquired the freehold from the Swan Brewery in 1977. The 'new Steves' was conceptualised 25 years ago. The Nedlands Park Hotel closed in late 2006 & the actual renovations commenced in early 2007.

Our team pride themselves on delivering the best possible service & making every function one to remember. Our stylish venue offers a variety of function spaces to suit all types of events, catering to small gatherings or groups of up to 250 people.

### COVID-19 INFORMATION

Please know that we are carefully monitoring the situation at Steves with increased health and strict clean hygiene precautions to ensure a minimised-risk function experience in our venue. This includes frequent sanitisation of all contact areas and materials, increased hand sanitisation stands for all staff members and compulsory isolation periods for all staff returning from travel or who are feeling unwell.

Steves is committed to complying with both State & Federal government restrictions related to the current crisis and have our COVID-19 Safety Plan available to view on request.
